Their opinion testimony is limited to what is stated within their treatment documentation. As to each such expert, any opinions which are not stated within that expert's treatment records and reports must be separately and timely disclosed.

- 9) All requests for changes of deadlines or settings established herein shall be directed to the undersigned magistrate judge, including all requests for changes of trial dates. Such requests will not be considered absent a showing of due diligence in the timely progression of this case and the recent development of circumstances, unanticipated prior to the filing of the motion, which require that additional time be allowed.
